

LOOKING BACK AT THE SUMMER OF 2019

OPENING DINNER

WELCOME TO OUR NEW YEAR!

Our ladies opening dinner was held on Tuesday May 7th. We greeted our old friends and met new ones. Our calendar of events and information about the upcoming season was provided during dinner.

The Opening Dinner is the best way to connect with our friends, find out what events are planned throughout the year (and sign up for events) and participate in our Q&A.

OPENING FIELD DAY

Lookout Point's opening tournament was held on a spectacular May morning followed by lunch buffet and prize presentations afterward. Congratulations to our Opening Field Day winners Bonnie Shaw and Laurie Robert.

Well done ladies!

LADIES

MEMORIAL-LEGACY TOURNAMENT

Held in August, our Memorial-Legacy Tournament is about remembering and celebrating. Each year we dedicate this event to the friends we have lost, and those who have impacted and influenced our lives, our Ladies Section and women's golf today.

Our season long team event was a nail biter! Belle's Beauties prevailed as the overall winners. The season was a fun 14 week long team event. Ladies golfed on Tuesday at a time convenient for them and posted their net score on "the board" to help their team win the weekly points. Points were awarded to each team based on the total team score.

Great participation ladies. Everyone contributed. Our post game lunches and dinners were just as much fun!

Join the Ladies Section and play for your team next year.

SOCIAL SHOTGUNS

JOIN US FOR OUR FUN SOCIAL SHOTGUN SCRAMBLES

Lookout Point ladies have three social shotguns during the summer months. Ladies just signed up and were mixed on a team, enjoyed playing a fun scramble and dinner after.

Scrambles started at 5:00 pm so everyone could participate. Join us next year and bring a guest- open to all!

Socializing after the big game is what we most looked forward to!

OUR BEAUTIFUL GOLF COURSE

HAPPY WINNERS!

SEMI ANNUAL LADIES INVITATIONAL

GOLF FOR THE CURE!

Lookout Point Ladies Invitational was sold out this year. This semi-annual event is held every other June.

Ladies were treated to a fabulous day of golf followed by dinner and prizes.

Dressed in their finest pink to support the cure for breast cancer, teams competed for spectacular prizes, many donated by generous sponsors.

The participants of the Lookout Point Ladies Invitational raised more than \$1200 to support breast cancer research through their generosity.

Thank you to our tournament co-chairs, Laurie Robert and Bonnie Shaw for hosting a spectacular day!

SEE YOU AT OUR NEXT INVITATIONAL IN 2021!

TOMBSTONE TOURNEY

34 LADIES PLAYED IN A TOURNAMENT TO DIE FOR!

September 15TH was a typical fall day with all kinds of weather. We had our best turnout with 17 teams of two players competing in our most popular and ghoulish event where the goal is to get as close to the 18th hole as possible before dying! The team handicap plus the course handicap x 2 = your total amount of shots available to the team. When you have hit your final shot the tombstone is planted where the final ball stops! This year Linda Townsend and Julie Kozub were our winners. They came in with shots to spare!

KAY FRASER - THE STRAWBERRY TOURNAMENT!

The annual Kay Fraser is an alternate shot event played in honour of Kay Fraser, a treasured Lookout Point member.

Ladies shared stories about Kay, a warm, welcoming and inclusive lady whose goal was to have all Lookout Point ladies share the love of golf in a fun event – no matter their ability or status.

Congratulations to this year's winning alternate shot team of Jeanne Glavac and Diane Tofano.

MATCH PLAY

16 ladies participated this year in our annual Match Play event. Laurie Robert was our consolation winner and our overall winner was Tina Drummond – great playing and fun event.

INTERCLUB & SOLHEIM CUP

Congratulations to our Interclub and Solheim teams for their exciting wins! Both teams were successful in bringing the Solheim Cup and Interclub title to Lookout Point.

Great playing ladies!
